

# The JD Dickinson Memorial Scholarship

This scholarship has been designated for a student who plans to attend college. \$1,000.00 will be awarded directly to an individual student who meets or exceeds our expectations and who genuinely loves living a full life and helping others along the way.

JD Dickinson was a dedicated father, son and community member. He loved being active outdoors, engaged in his community, and sharing his incredible sense of humor. In his memory, family and friends have funded a scholarship for students attending Fluvanna County High School as a way to reward someone who shares JD's zest for life and heart for service. Recipients are chosen on the basis of their community involvement, commitment to living an active lifestyle, and having a keen sense of humor.

Along with your application, please include an essay with a max of 500 words, explaining what your plans are after high school and how you hope to have a positive impact on society. JD had a keen sense of humor, so we strongly encourage you to have fun with this essay!
